Meals in Gatton

If you are staying at the Gatton motel, you can order breakfast there before 8:30pm. It's pretty good. Lamb chops and fried eggs are my favourite.

In Gatton town drive down the main St to the building IGA is in which is next door to the Royal Gatton pub. There is a bakery in there that has GOOD coffee open from 6am.

UP the road (away) from town - if you are staying at the Gatton motel - has a diner. I've never eaten there but they have breakfast food.

On campus at Uni you can get breakfast between 7:30-8:30am for \$12.

There is also a maccas in town
