EXCLUSIVE LEARNING OPPORTUNITY

Spend two full days with specialists and explore the multiple ways you can improve your skills and your patients quality of life.

This workshop is designed for veterinarians who want to offer a comprehensive health care program for the lifespan of the animals they care for. Conditions of the hip are important and manageable in general practice.

PRESENTERS

Speaker

DR. JACOB MICHELSEN

*BVSc (Hons), BSc (vet),
MACVSc (SA Surg),
Graduate Certificate
Management, Dip ACVS
(Small Animal Surgery)*

Jacob graduated from Sydney University with honours in 1990. After two years in mixed practice in Victoria, he purchased a practice in south west Sydney, which grew to a four practice group with over thirty staff and a heavy surgical case load. Jacob moved to Denmark with his family in 2006 taking a position as chief of small animal surgery at a large hospital. A position at Charles Sturt University in Wagga Wagga drew him back to Australia. He is now Lecturer in Small Animal Surgery. Dr Michelsen recently achieved Diplomat status at the American College of Veterinary Scientists in Small Animal Surgery.

Tutors

DR. SARAH WEBB

BVSc FACVS

Dr Sarah Webb is the only Australian Capital Territory registered Small Animal Specialist Surgeon. She provides specialist diagnostic and surgical services to the pets of South East NSW by referral from the patient's normal veterinarian. Sarah has a special interest in orthopaedics (including fracture repair, stifle reconstruction and spinal cases), but also performs endoscopy (using special telescopes to examine the nose, bronchi, oesophagus and stomach, large intestine, and bladder, as well as joints) and all types of soft tissue surgery. Dr Webb is a recent recipient of the University of Melbourne Belle Bruce Reid Medal and sits on the board of the ACT Veterinary Surgeons Board.

DR. AARON MOLES

*BVSc BSc(Vet)
MANZCVSc(SAS) DipECVS*

Dr Aaron Moles owned and ran a successful small animal clinic in the northern suburbs of Brisbane for more than ten years. Aaron became a member of the ACVSc in 2005 and is a Diplomate of the European College of Veterinary Scientists. Aaron has published numerous proceedings, abstracts and peer reviewed scientific articles.
