EXCLUSIVE LEARNING OPPORTUNITY

This is really a workshop for the equine and mixed general practitioner. Develop skills to feel more confident at offering a solid lameness investigation to clients in the field.

This focused and distilled opportunity gives you the skills needed to perform at your best. The world between what we learned at vet school and professional mastery is the most interesting and varied of our careers.

See how this workshop can help you build skills and provide better services to your patients.

PRESENTERS

DR LAURA NATH

BVSc (Hons), MVSc,
CertEM, FACVSc

Laura graduated with honours in 2003, undertook an internship and then gained a certificate in Equine Stud Medicine from the RCVS in the UK in 2007. Dr Nath has a masters degree and is a Fellow of the ANZCVS in equine medicine. Laura has worked in racetrack practice at Flemington Equine Clinic and, she has been at the Clyde Veterinary Group in Scotland and consulted at RosSDales and Partners in Newmarket, England. Laura is a consultant for many practices in Victoria and continues to enjoy helping with a broad range of cases.

DR HADLEY WILLSALLEN

BVSc, MACVSc, DACVS
(Candidate)

Hadley graduated in 2003 and then focused on an internship at Agnes Banks Equine Clinic. Hadley became a Member of the ACVS in Equine Surgery and is Hadley is near completion of her Charles Sturt University residency training programs through the ACVS and the Fellowship program of the ANZCVS. Dr Willsallen enjoys her involvement with undergraduate students in the clinical setting. Specific areas of interest are treatment of septic synovial structures, abdominal surgery and minimally invasive surgical procedures such as arthroscopy, laproscopy and standing sinus surgery.

DR JENNIFER RAFFETTO

BVetMed MRCVS -
Associate Veterinarian
- Surgery

Jenny came to Australia from the USA after rather foolishly falling love. Dr Raffetto has completed a residency training program in Virginia and California in equine surgery to become a specialist in that field. She performs most of the surgeries at Gold Coast Equine Centre in QLD. Jenny also has a special interest in performing exercise endoscopy and in lameness diagnosis.

DR JAMIE WEARN

BVSc GradDipVetClinStud
MS Diplomate ACVIM

Jamie is completely dedicated to the best education and practice for equine veterinary surgeons. Following a residency at Virginia Dr Wearn achieved his diploma of the American College of Veterinary Internal Medicine in 2010 becoming a DACVS in that same year. Jamie also has a masters from Virginia Polytechnic and many journal articles published. He has worked in Australia, the USA and England in private clinical practice as well as on a multinational thoroughbred stud.
