

VetPrac Norbrook Prize for Bachelor of Veterinary Medicine

Win a \$2500 surgical training voucher and \$500 cash prize

Establishment

This Prize has been established by the generosity of VetPrac, an organisation that provides practical skills training for registered veterinarians in clinical practice and Norbrook a true pharmaceutical innovator; dedicated to novel research and revolutionary processes and products.

Eligibility

The prize may be awarded to a student in their final year of the BVSc program.
To be considered for this award, all prize entrants will be judged on their final year's exemplary case report (or equivalent).

Selection of Candidate

The winner shall be selected by VetPrac

All submissions must be sent to the essay@vetprac.com email address, clearly marked in the subject line "2014 VetPrac Award in clinical practice"
