

# HOW TO BUY A VET BUSINESS

BRISBANE → MAY 25<sup>TH</sup> 2019

SYDNEY → NOVEMBER 16<sup>TH</sup> 2019

At some point in your career you either decide that you enjoy the freedom of employment or desire the responsibilities and rewards of business ownership. If you are at that point, then this is a seminar you don't want to miss! This practical information day explains the red tape, planning and considerations you will want to know before you jump into an expensive and legally binding

agreement that will change your life forever. When you are properly prepared to purchase, you will be positioned to make decisions quickly and avoid being gazumped by other buyers. This information day is being held in 2 locations around Australia, to make it easily accessible for busy veterinarians with little spare time.
